Wildcats Fall Flag Football & Cheer

Who can play: Fall flag football & cheer are for grades K-2 (ages: 5-7)

When: August (second or third week) to mid- October.

Where: Community Park for home games and practices. Flag will have 4 home and 4 away games (subject to change).

Registration is open: www.wpwildcats.org

Practices are twice a week plus the Sunday game. Practices are 75 minutes.

The games are Sunday mornings and we will play against neighboring towns. Players are assigned to a dedicated coaching staff -- many of our coaches are returning from last year. The players will be taught different positions and run plays from a basic playbook.

If you are vacationing in August, that is not a problem. At the flag level, practices are not mandatory to play on Sunday. Of course, the more they practice, the better they will understand the rules and fundamentals of the game and the game will be more enjoyable. Our goal is that you and your child enjoy playing flag football and cheer.

Your child can still participate in flag, even if they are involved in other activities. We understand it is not ideal to rush 5, 6, 7 year olds to any activity and that they may have other events. Our goal is to have fun and introduce some basic concepts of football and cheer. Again, practices are not mandatory to play on Sunday, but they will have a better understanding if they practice with the team.

We hope to see you this August. Please spread the word and come have a great time!
